Reservations should be received by **Michael Smith** no later than **1/12/2017**.

I have reserved 16 sites. We need 10 sites to maintain the rally room to be comped. It would be helpful to know as soon as possible if you are planning on coming and if you

want to arrive early or stay late. Getting an rig count early will help us with our planning and reservations for food and entertainment. That said if you could email your arrival and departure dates to Nancy as soon as possible, you can follow up with your payment when you get around to check writing. Thanks, Michael

Please email your arrival and departure date to:

nancysmithtx@gmail.com

(be sure to identify yourself if your email address is not obvious - thanks)
