

The September rally was held in Lindale, Texas just north of Tyler, Texas at the Jellystone RV Park. Host Lorraine and George Fox and Yvonne and Mike Davidson did a fantastic job planning the rally. The pot lucks are always fun to sample every ones favorite dishes. We enjoyed good food, eating out and one catered meal.

We had a DJ come on Saturday night, we all expected canned music., WOW were we surprised when he set up and begin to sing. His name is Dale Cummings, or as he is known "The C". He preformed for two and a half hours without repeating a song. The music was all oldies and was fantastic. Would not hesitate to have him back again.

We had 20 rigs in attendance including a couple of SOBs (some other brand) of which I was one. A good time was had by all. We are looking forward to the November rally in Montgomery, Texas on Nov. 12-14, 2015, host for this rally will be Connie Dupree and Richard Brock and Denise and Mike Zehr, it will be at the Lake Conroe KOA, Montgomery, Tx. I am looking forward to seeing everyone there and another good rally.
